Dear Valued Patient,

Our office is a division of Women's Health Partners of California, Inc. ("WHPCA"), which is a group of 12 Walnut Creek area Ob/Gyns who are committed to providing the highest level of care to our patients. Please note that if you plan on transferring to or if you are coming from another WHPCA physician we ask that you notify our office of your transfer. In addition, because we constitute a single organization, any balance due to another physician within WHPCA will need to be paid prior to being seen in our office.

If you have any questions about our billing practices, please contact our office manager, Jessica, at 925-935-5356.

Thank you for your understanding. We look forward to building long relationships with all of our patients as we continue to provide the best possible Ob/Gyn care in our community.

Best Regards,

Stephen R. Wells, MD
